Art Unit: 3746

If an amendment submitted after March 1, 2001, fails to comply with 37 CFR 1.121 (as revised on September 8, 2000), the Office will notify applicant by a Notice of Non-Compliant Amendment, that the amendment fails to comply with the requirements of 37 CFR 1.121 and applicant will be given a period of time in which to comply with the rule. If the amendment that fails to comply with the requirements of the rule is a preliminary amendment, the Legal Instruments Examiner (LIE) will send the Notice which sets a time limit of 30 days or one month, whichever is later, for reply. No extensions of time are permitted. Failure to submit a timely reply will result in the application being examined without entry of the preliminary amendment. If the amendment which fails to comply with the requirements of the rule is an amendment after a non-final Office action, the LIE will send the Notice which sets a time limit of 30 days or one month, whichever is later, for reply (37 CFR 1.135). Extensions of time are permitted (37 CFR 1.136(a)). Failure to reply to this Notice will result in abandonment of the application. See MPEP § 714.22 for treatment of non-compliant amendments after final rejection.
